

Buyers guide, with the enormous amount of items on offer in this auction.

The owner has endeavoured to categorise as best he can the different types of memorabilia that will be available for purchase in this Auction.

This is by no means an entirely accurate assessment due to the sheer volume of items on Offer.

It is important for Buyers to assess these items that are displayed to make their own individual decision.

All of the boxes, etc are indicative numbers that can slightly vary, your inspection is important.

For purchases in one.
