

200-QCA-4700

This 47° Speed-Loc™ adapter fits all Bourgault field cultivators, airseeders and air hoe drills. It also fits the Ezee-On field cultivators and air drills. The bolt hole spacing is 1-3/4 inch (45 mm) and it is mounted to the shank with 1/2 inch (12 mm) hex head bolts.

Owners of Australian manufactured Field Cultivators, Chisel Plows and Air Hoe Drills may look up the required quick change adapters in the "Speed-loc™ Reference Guide".
